Lieut, Sadtler was on the mound for the soldiers and did some wonderfu work with his head and with his right arm. He had the Chicago batters bitt'ng the ball high in the air and in no inning did he allow them to make more than one safety. Opposed to him was Page, who is voted by the Schofield fans as one of the frstes! fielders ever seen on the Scholleld dia mond. Chicago Falls to Score.

Chicago's main chances of scoring came at the beginning of the game and at the end. In both the first and ninth innings the college boys got two men on the bases before any outs were mide.
